Dr. Nissar Ahmed
Chairman

Welcome to Presidency College (Autonomous) !
It has been 25+ years since we established Presidency, Bangalore. From a very modest beginning, we have been able to carve a niche for ourselves in the realm of higher education, leading to the establishment of a state of the art university. Much of the credit for this achievement goes to the teachers, parents, and students who have consistently supported us and enriched the portals of this institution of higher learning.

The very contours of higher education have changed drastically over the last decade or so. I am proud to share that we at Presidency College (Autonomous) have kept pace with changing academic and institutional demands and have seamlessly adapted to evolving standards. The NAAC A+ accreditation awarded in 2017 stands as a testament to this commitment. The institution has also earned recognition from NIRF, ASSOCHAM, and reputed publications such as Education World, India Today, and Outlook. and discussed.

I remember the famous saying of Malcom X, "Education is the passport to the future, for tomorrow belongs to those who prepare for It today". at Presidency college (Autonomous) we prepare you for "that tomorrow" which will lead you to greater heights.

I pray that you all stay safe and healthy

Mr. Suhael Ahmed
Vice Chairman

We take immense pride in being a premier, forward-looking institution committed to delivering quality academic programmes affiliated with Bengaluru City University. It is my privilege to welcome you to a campus that fosters a vibrant environment for contemporary, in-depth learning while placing equal emphasis on co-curricular and extra-curricular engagement.

At Presidency College (Autonomous), we believe education extends beyond classrooms. Inspired by the words of John Wooden, “Don’t let what you cannot do interfere with what you can do,” we encourage you to recognize your strengths and pursue them with confidence. Here, you are empowered to explore your interests, sharpen your abilities, and grow with purpose.

We guide you to strive for progress, not perfection, to focus on continuous improvement rather than unattainable ideals. Our mission is to equip you with the knowledge, skills, and professional mindset required to stay relevant and responsive to the evolving demands of the world.

Always remember: your attitude, more than your aptitude, shapes the height of your achievements.

Choose to grow. Choose to lead. Choose to make a meaningful difference in your life.

Stay safe. Stay healthy.

About

Presidency College (Autonomous)

The college was established in the year 2000 and initially began with just two courses under affiliation with Bangalore University. Over the past 25 years, the institution has grown significantly and is now recognized as a reputed B-School, with its management programs achieving outstanding results and continued success.

Vision

To foster an environment that imparts holistic education to ignite an inquisitive mind, inculcate the skills to achieve excellence, realize the nuances in research, seek and deal with challenges and carve out a niche for self.

Mission

To empower students to unleash their potential to leverage their professional standards through academics and ethics thereby elevate their caliber to be the change.

To imbibe a scholarly culture through research and creative endeavors that accelerates the phenomena of giving back to society.

To synergize collaborations that strengthen the expertise to build a dynamic intellectual capital

To build resilience, sensitivity, critical thinking culminating in a strong personality through a conducive teaching learning environment.

To improvise an inclusive learning environment blended with the enhanced process of education through the use of emerging technologies

Dr. Pradeep Kumar Shinde
Principal

Since its inception in 2000, Presidency College has upheld the belief that education is more than the mere pursuit of knowledge it is a transformative journey. We are committed to cultivating a vibrant, inclusive, and progressive academic environment that nurtures not only intellectual excellence, but also character, creativity, and a spirit of lifelong inquiry.

Our campus is a dynamic hub of intellectual and cultural exchange, where students and scholars from diverse backgrounds converge to share ideas, challenge established norms, and drive innovation. Through pioneering research, engaging classroom experiences, and meaningful community outreach, every member of our academic community is empowered to learn, contribute, and lead with purpose.

As Principal, I am extremely proud of the collective spirit that drives Presidency College a spirit grounded in academic excellence, mutual respect, and a relentless drive for progress. Our faculty members are more than just educators they are dedicated mentors and inspiring leaders who infuse every lecture and discussion with deep expertise, and unwavering commitment to fostering excellence.
