This is to inform all students of the **2021–2025 UG and PG batches** that the National Academic Depository (NAD) is mandatory. NAD enables students to securely access and share their verified digital academic records with employers or other institutions without the need for physical documents. To facilitate the uploading of your academic records to NAD, the following are mandatory requirements:

1. Creation of student ABC ID
2. Updating or linking of student ABC ID in UUCMS

Please note that failure to complete the above requirements will result in the College not being responsible for the availability of your digital academic records in NAD.

You are therefore requested to complete these mandatory tasks on or before **20/11/2025** to ensure your academic records are successfully uploaded to NAD. Beyond this date, the College will not hold any accountability for the non-availability of your digital records.
