ANTI-RAGGING CELL

Ragging is a heinous crime and a criminal offence as declared by the Supreme Court of India. Presidency College (NAAC re-accredited with A+ grade) has been successful in creating a ragging-free campus.

Our College believes in fostering a harmonious relationship amongst its students and strictly condemns ragging. We have an anti-ragging cell which comprises of the Principal and other staff members. The students are sensitized on the ill effects of ragging and the legal proceedings in curbing the practice. Awareness is created via orientation programmes in the first semester as well as before the commencement of each academic year. The hostel too is under strict vigilance and we ensure that students learn to respect and accept peers beyond their cultural and regional differences.

Establishment of Committee for SC/ST

The main problem faced by persons with disabilities and those belonging to the marginalized sections of society stem from disabling environment and socio-cultural and economic barriers. Discrimination against any person on the grounds of his/her disability or physical limitations and minority status is a gross violation of universally accepted principles of equality and human rights and even constitutional obligations.

The Indian Society is singular in terms of the multifarious hues it has absorbed in its fabric. Living within its clench are numerous groups that are segregated on the basis of language, ethnicity, class, caste, religion, etc. This inequitable situation warrants a redemption which is possible through Equal Opportunity measures and policies.

To address these and other urgent issues concerning SC, ST, OBC, and PwD, the Equal Opportunity Cell was set up by the Presidency College (NAAC re-accredited with A+ grade) in June 2011.

The objectives of the Cell are:

- To create an atmosphere of Equal Opportunity through awareness generation programmes.
- To provide auxiliary support towards skill development and enhancing the employability of students.
- To tailor development and sensitization programmes to meet the distinct needs of the students.
- To expedite legal redressal in matters of violation of equal opportunity.
